REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

H.B. Swofford Career Center serves Spartanburg County School Districts One and Two. There are four feeder high schools: Chapman, Landrum, Chesnee and Boiling Springs. H.B. Swofford is fully accredited by the Southern Association of Colleges and Schools, offering a strong diverse curriculum in thirteen program areas in accordance with standards set by the SC State Department of Education's Office of Career and Technology Education, The South Carolina Board of Cosmetology, The National Institute for Automotive Service Excellence (ASE), and the South Carolina Department of Health and Human Services through the Nurses Aid Competency Evaluation Services (NACES). Curriculum is offered to match high school schedules and the demands of industry. Advisory committees with participating members from local industry advise each program area in developing an annual plan, promoting public relations, placing program completers, reviewing and revising curriculum, assessing programs, reporting progress and school improvement and sponsoring students in school-to-work activities such as cooperative education, shadowing, internship, youth apprenticeship and service learning. Swofford students have the opportunity to participate in clubs and competitive events for career and technology education at the local, state and national levels. Students may participate in the following programs at Swofford: "Challenge Course" team building skills for Swofford students and approximately 1900 ninth graders from our feeder schools; "Summer Career Camp" for sixth and seventh graders; "Career Fair" for sixth graders from both districts; The "Swofford Car Show" and "Plant Sale" are our annual community events that raise money for scholarships awarded to Swofford students. Students raise funds for the Diabetes Association, Muscular Dystrophy, Relay for Life and the Bloodmobile. Swofford classes also adopt families in the community for Christmas. We are always striving to improve what we do for our students. We actively recruit all students and encourage participation of non-traditional students in all courses offered. We are also in the process of expanding our facilities. We are adding Culinary Arts and Protective Services as well as expanding Health Science Technology, Graphics and Printing and Auto Mechanics. These expansions will come online for the 2012-2013 school year.
